

# Come On, Come Out

## A Fine Frenzy

Come on, come out, the weather is warm  
Come on, come out, said come on, come on  
A spot in the shade where oranges fall  
The spot in the shade away from it all Watching the sky, you're watching a painting  
Coming to life shifting and shaping  
Staying inside, it all goes, all goes by A blanket unfolds, a blanket to lie  
The pieces of gold, they light up your eyes  
And now we're alone and now we're alive Watching the sky, you're watching a painting  
Coming to life shifting and shaping  
Staying inside, it all goes, all goes, all goes, all goes by Stopping the time, the rush and the waiting  
Leave it behind shifting and shaping  
Keep it inside, it all goes, all goes, all goes, all goes by It all goes passing by  
It all goes passing by  
Come on Watching the sky, watching a painting  
Coming to life shifting and shaping  
Staying inside, it all goes, all goes, all goes, all goes by Stopping the time, the rush and the waiting  
Leave it behind shifting and shaping  
Keep it inside, it all goes, all goes by Come on, come out  
Come on, come out
