Come On, Come Out

A Fine Frenzy

Come on, come out, the weather is warm Come on, come out, said come on, come on

A spot in the shade where oranges fall

The spot in the shade away from it allWatching the sky, you're watching a painting

Coming to life shifting and shaping

Staying inside, it all goes, all goes by A blanket unfolds, a blanket to lie

The pieces of gold, they light up your eyes

And now we're alone and now we're aliveWatching the sky, you're watching a painting

Coming to life shifting and shaping

Staying inside, it all goes, all goes, all goes by Stopping the time, the rush and the waiting Leave it behind shifting and shaping

Keep it inside, it all goes, all goes, all goes all goes by It all goes passing by

It all goes passing by

Come on Watching the sky, watching a painting

Coming to life shifting and shaping

Staying inside, it all goes, all goes, all goes by Stopping the time, the rush and the waiting Leave it behind shifting and shaping

Keep it inside, it all goes, all goes byCome on, come out

Come on, come out
