

Real Slow (Tropicoool Remix)

Miami Horror

REAL SLOW I see the look inside your eyes
We can make it if we try, so come on
So many pictures in your mind
No need to hold them in disguise, so come on Pa pa pa pa, pa para pa pa,
Pa pa pa pa, pa para pa pa,
Pa pa papa pa, pa pa pa pa pa pa pa pa If we could go to another home
If you wanna be in my family
If we could grow, I'll make sure that it was slow
And you will know, I'll make sure that it was slow Cause we can take our time now that I know, this time (Uuuh)
We can take our time now that I know, this time (Uuuh)
Real slow,
Real slow
Real slow... So destiny, hanging in the breeze
Is great to see, you're meant for me
If we could grow, I'll make sure that it was slow
And you will know, I'll make sure that it was slow... Cause we can take our time now that I know, this
time (Uuuh)
We can take our time now that I know, this time
Real slow
Real slow
Real slow We can take our time now that I know, this time
Cause we can take our time now that I know, this time
Real slow
Real slow
Real slow
Real slow We can take our time now that I know, this time
We can take our time now that I know, this time
Real slow
Real slow
Real slow
Real slow Pa pa pa pa, pa para pa pa,
Pa pa pa pa, pa para pa pa,
Pa pa papa pa, pa pa pa pa pa pa pa
