

# Thoughts of Love

**Fred Hammond**

## Verse 1

You allow Your love to shower me.  
When I deserve it least.  
Your grace and mercy, my shelter from the storm.  
And through the night till light appears  
You cause me to sleep peacefully  
And bring rest upon my weary heart.  
Chorus  
Most have longed for a love I've been searching.  
Love that won't ever leave me or hurt me.  
All the time for me You were calling.  
Now in love with You I have fallen.  
Just to know You Lord is amazing.  
Can't believe my life is worth saving.  
Offering Your joy overflowing.  
Melody of love You are singing.  
Verse 2  
At my best, I'm wrong, I'm torn, I'm frail.  
But Your love builds me up.  
Always in need of Your heartbeat to cover me.  
So with my passion sings this praise for I am offering a grateful heart  
As the tears fall down with thoughts of love.  
Chorus  
Drive  
Here's my heart's devotion (I'm offering my)  
Spirit and emotion (I'm telling you why)  
I'm so very grateful.  
With each breath I'm breathing.  
Savior, Lord, and King.  
Healer of my being.  
My loving Father so faithful and true.  
More than life to me.  
I adore You.  
Drive 2  
Your love, the love you have for me is unexplainable.  
The serenade of praise.  
When Your presence fills this place.  
I'm chasing after You  
And my heart is thirsty for You.  
You always fill me.  
(Instrumental)  
Just to know you Lord is amazing.  
I still can't believe my life was worth saving.  
I'm offering this grateful heart.  
As the tears fall down with thoughts of love.
