

# I can't decide

Jan Wayne

It's not easy having yourself a good time  
Greasing up those bets and betters  
Watching out they don't four-letter  
Fuck and kiss you both at the same time  
Smells-like something I've forgotten  
Curled up died and now it's rotten  
I'm not a gangster tonight  
Don't want to be a bad guy  
I'm just a loner baby  
And now you're gotten in my way  
I can't decide  
Whether you should live or die  
Oh, you'll probably go to heaven  
Please don't hang your head and cry  
No wonder why  
My heart feels dead inside  
It's cold and hard and petrified  
Lock the doors and close the blinds  
We're going for a ride  
It's a bitch convincing people to like you  
If I stop now call me a quitter  
If lives were cats you'd be a litter  
Pleasing everyone isn't like you  
Dancing jigs until I'm crippled  
Slug ten drinks I won't get pickled  
I've got to hand it to you

You've played by all the same rules  
It takes the truth to fool me  
And now you've made me angry  
I can't decide  
Whether you should live or die  
Oh, you'll probably go to heaven  
Please don't hang your head and cry  
No wonder why  
My heart feels dead inside  
It's cold and hard and petrified  
Lock the doors and close the blinds  
We're going for a ride

Oh I could throw you in the lake  
Or feed you poisoned birthday cake  
I wont deny I'm gonna miss you when you're gone  
Oh I could bury you alive  
But you might crawl out with a knife  
And kill me when I'm sleeping  
That's why  
I can't decide  
Whether you should live or die  
Oh, you'll probably go to heaven  
Please don't hang your head and cry  
No wonder why  
My heart feels dead inside  
It's cold and hard and petrified  
Lock the doors and close the blinds  
We're going for a ride
