We Need Jealousy

Marc Almond

Heaven help me
Lord above
You don't trust me
But how I love
Your jealousy (jealousy)You're on the phone
Or at my door
You watch my home
But I adore
Your jealousy (jealousy)Oh your jealousy
Oh I love your jealousyEach night I lie awake for hours
And thoughts of you my heart devours
With jealousy (jealousy)Do you think of only me
Or could this suffering just be
My jealousy (jealousy)Oh, oh my jealousy
Oh, oh I love your jealousyWe need jealousy
We believe in jealousyI'm walking on a precipice
A love too dangerous to miss
Called jealousy (jealousy)Always dancing on my toes
To a tune everyone knows
Called jealousy (jealousy)Oh oh called jealousyI'm always living with a doubt
That love I feel is flat without
The jealousy (jealousy)
Though possessive is the love we share
Our love sleeps soundly in the care
Of jealousy (jealousy)Oh oh of jealousyOh we need the jealousy
Oh we believe in jealousyOh we need the jealousy
