

In Your Car

Big Deal

When I need it, I have to have it
It's a habit, I could do without it
I got a friend who never lets me down
I got a friend who never lets me downMy lucky braid's already broken
Someone signed it every time I opened
I got a friend who never lets me down
I got a friend who never lets me downDriving in your car
I wanna be wherever you are
Asleep in the backseat
There's nothing more that I'll ever need
It's a secret, a secret, a secret
A-ah, a-ah
If you keep, if you keep, if you keep it
A-ah, a-ah
A-ah, a-ah
When I'm itching I have to scratch it
It's a natural way to go about it
When I'm asleep and you know what's on my mind
When I'm asleep and you know what's on my mindDriving in your car
I wanna be wherever you are
Asleep in the back seat
There's nothing more that I'll ever need
It's a secret, a secret, a secret
A-ah, a-ah
If you keep, if you keep, if you keep it
A-ah, a-ah
A-ah, a-ah
A-ah, a-ah
A-ah, a-ah
Driving in your car
I wanna be wherever you are
Asleep in the back seat
There's nothing more that I'll ever need
It's a secret, a secret, a secret
A-ah, a-ah
If you keep, if you keep, if you keep it
A-ah, a-ah
A-ah, a-ah
A-ah, a-ah

A-ah, a-ah

A-ah
