

# MMM Girl

## Chase Rice

Silhouette, moonlight halo  
Wayfarer's looking all Hollywood  
What you got there in that Solo?  
Looking like it's doing you good  
'Cause you sipping it back, swaying around  
Lighting it up and toking it down  
We're partying with all our friends

You're showing off, you got me all Yeah you got me all mmm girl, mmm girl

Yeah I'm buzzing like a shot of Jack, honey on a summer night

Mmm girl, mmm girl, you're rocking that Pink Floyd tee

And those frayed outs just right

I've got a fast ride waiting on a slow roll

I'm cranking up a little Straight on the radio

Mmm girl, mmm girl, yeah you're working it flirting

Got your tummy out on the prowl

Mmm girl, mmm girl, what you doing for the rest of the night? Victoria's Secret, they're peeking out

It'd be a damn good secret to keep

It's something that you ain't gotta worry bout

I'll keep it just between you and me

And tick tock, time to wind it down

Before we take it on back to town

We'll top it off, last call, just wanna be

You and me, you and me, yeah Yeah you got me all mmm girl, mmm girl

Yeah I'm buzzing like a shot of Jack, fire on a cool night

Mmm girl, mmm girl, you're rocking that Pink Floyd tee

And those frayed outs just right

I've got a fast ride waiting on a slow roll

I'm cranking up a little Straight on the radio

Mmm girl, mmm girl, yeah you're working it flirting

Got your tummy out on the prowl

Mmm girl, mmm girl, what you doing for the rest of the night?

What you doing for the rest of the night? Yeah you're sipping it back, swaying around

I'm lighting it up and toking it down

We're partying with all our friends

You're showing off, you got me all Yeah you got me all mmm girl, mmm girl, haha what you saying?

Mmm girl, mmm girl, haha damn I've got a fast ride waiting on a slow roll

I'm cranking up a little Straight on the radio

Give me your best, just give me a smile when you're ready to go, ready to go

Mmm girl, mmm girl, yeah you're working it flirting

Got your tummy out on the prowl  
Mmm girl, mmm girl, what you doing for the rest of the night?  
What you doing for the rest of the night?  
What you doing for the rest of the night?  
What we doing for the rest of the night?
