

# The Lousy Truth

## Never Shout Never

Girl, I've been thinking a lot of  
'bout who we could have been  
if i was back home  
just chillin with you and all my friendsBut dear I'm gone  
and that's the lousy truthFor the past 3 years  
I swear i've been a better man  
then who I've become  
i know i know i know I let you downBut I've been gone  
for too damn longSo if you go away right now  
then i can guarantee  
that i won't break your heart  
But if you go and stay then baby  
i will hope and pray that you will run away  
Cause dear it breaks my heart  
to see you hereSo shine outward not inward  
You've been a selfish little girl  
for the past 3 years  
I've been through more than you could ever know  
and God I don't want you to knowwhat I have been through  
cause you just wouldn't understand  
you're just a girl with some issues  
as bad as it may soundBut you're the girl  
who's been driving me madSo if you go away right now  
then i can guarantee  
that i won't break your heart  
But if you go and stay then baby  
i will hope and pray that you will run away  
Cause dear it breaks my heart  
to see you hereSo go to school in chicago  
find a new boy, a new life  
a whole new set of friends  
Cause all that i'll ever do is break your heart  
and dear it breaks my heart  
to see you hereAnd dear it breaks my heart  
to see you hereBut just so you know...I've been thinking a lot of  
'bout who we could've been  
if i was back home  
just chillin with you and all my friendsBut dear I'm gone  
and that's the lousy truth
