

Bad Shit

Porno For Pyros

Got some bad shit
Then I walked the beat in venice
I went outside
I been in too long
Outside
For some inspirationDid the G-O
Did the No-Go
There were stars
There were flies
Even the flies dropped like
What do flies drop like?
Stars
But I didn't go downI went outside
I thought I was a chinese blues player
Outside
Been in too longDid the G-O
Did the No-Go
There were stars
There were flies
Even the flies dropped like
What do flies drop like?
Stars
But I didn't go down
