

# We Just Couldn't Say Goodbye

**Diana Krall**

We thought that love was over  
that we were really through  
I said I didn't love him  
that we'd begin anew  
and you can all believe me  
we sure intended to  
but we just couldn't say good-bye  
The chair and then the sofa  
broke right down and cry  
the curtains started waving for him to come inside  
I tell you confidentially  
the tears were hard to hide  
and we just couldn't say good-bye  
The clock was striking 12 o' clock  
it smiled on us below  
with folded hands it seemed to say  
we're gonna miss you if you go  
So he came back and kissed me  
and when I looked around  
the room was singing love songs  
and dancing up and down  
and now we are both so happy

because at last we found  
that we just couldn't say good-bye  
People in love are funny  
mighty hard to explain  
one minute they quarrel  
then they're back together again  
Take my case for instance  
we had a little fuss  
listen ladies and gentleman  
Here's what happened to us  
The clock was striking 12 o' clock  
it smiled on us below  
with folded hands it seemed to say  
we're gonna miss you if you go  
So he came back and kissed me  
and when I looked around

the room was singing love songs  
and dancing up and down  
and now we are both so happy  
because at last we found  
that we just couldn't say good-bye
