

Daisychains (demo)

Youth Group

Listen now my sweet and
I never meant to cause you pain
We could have spent all summer
Sitting here making daisychains I lie awake at night
Staring at my roof
Now you're gone For weeks I've had your pretty face
Hanging in my brain
It's suspended like the reflection
In a window pane You hang just like a ghost
Over city streets
Now you're gone How could I begin to finish
What I couldn't start
I'm more general hey ???
Than napolean blown apart ??? Oh go now just leave
No more words please
Now you're gone Listen now my sweet and
I didn't mean to cause you pain
I could have spent all summer
Sitting here making daisy chains I lie awake at night
Staring at my roof
Now you're gone
