

From the Blind Spot

Blacklistt

I can't move now that I'm consumed
To feel just like you do
Look at myself and I don't see you

Everything you never
Wanted this to be is dead inside of you
Now you're dead to me

Buried in the silence
Your voices are pulling me down
I feel nothing, nothing
I feel nothing no more

The same as it was before
Pick yourself up off the floor
I don't feel this anymore

You are everything you never
Wanted this to be is dead inside of you
Now you're dead to me

Buried in the silence
Your voices are pushing me down
I feel nothing, nothing
NOTHING
Nothing
NOW

Inside I die
Not this time
NOT THIS TIME

Buried in the silence
Your voices are pulling me down
I feel nothing, nothing
NOTHING NOW
Nothing

Buried in the silence your voices are pulling me down
I feel nothing, nothing

NOTHING

Nothing

NOW

I can't move now that I'm consumed
To feel just like you do
Look at myself and I don't see you

Everything you never
Wanted this to be is dead inside of you
Now you're dead to me

Buried in the silence
Your voices are pulling me down
I feel nothing, nothing
I feel nothing no more

The same as it was before
Pick yourself up off the floor
I don't feel this anymore

You are everything you never
Wanted this to be is dead inside of you
Now you're dead to me

Buried in the silence
Your voices are pushing me down
I feel nothing, nothing

NOTHING

Nothing

NOW

Inside I die
Not this time
NOT THIS TIME

Buried in the silence
Your voices are pulling me down
I feel nothing, nothing

NOTHING NOW

Nothing

Buried in the silence your voices are pulling me down
I feel nothing, nothing
NOTHING

Nothing

NOW
