

# Face to Face (ATB in Concert Live in New York)

## ATB

Remembering the days  
when we used to be  
face to face, face to face.  
Talking, touching, technology  
can not replace  
face to face, face to face.If I call your name  
wish you were here,  
and if I call your name  
will you appear?  
Oh, if I call your name  
reading your brains,  
if I call your name  
face to face.Oh, face to face...  
face to face...Remembering the days  
when we used to be  
face to face, face to face.  
Talking, touching, technology  
can not replace  
face to face, face to face.If I call your name  
wish you were here,  
and if I call your name  
will you appear?  
If I call your name  
reading your brains,  
if I call your name  
face to face.Oh, and if I call your name  
I wish you were here,  
and if I call your name  
will you appear?  
And if I call your name  
I'm reading your brains,  
oh, if I call your name  
we're face to face.Oh, face to face,  
face to face...Remembering the days  
when we used to be  
face to face, face to face.
