Please, Please, Please, Let Me Get What I Want

Slow Moving Millie

good times for a change
see, the luck I've had
can make a good man
turn badso please please please
let me, let me, let me
let me - get what I want
this timeget what I want this time
haven't had a dream in a long time
see, the life i've had
can make a good man turn badso for once in my life
let me get what i want
lord knows, it would be the first time
piano instrumentallord knows, it would be the first time
piano instrumentalso please please please
let me, let me, let me
let me - get what I want
this time
piano instrumentalso for once in my life
let me get what I want
lord knows it would be the first time
piano instrumentallord knows it would be the first time
piano instrumentallord knows it would be the first time
