

# Please, Please, Please, Let Me Get What I Want

## Slow Moving Millie

good times for a change  
see, the luck I've had  
can make a good man  
turn badso please please please  
let me, let me, let me  
let me - get what I want  
this timeget what I want this time  
haven't had a dream in a long time  
see, the life i've had  
can make a good man turn badso for once in my life  
let me get what i want  
lord knows, it would be the first time  
piano instrumentallord knows, it would be the first time  
piano instrumentalso please please please  
let me, let me, let me  
let me - get what I want  
this time  
piano instrumentalso for once in my life  
let me get what I want  
lord knows it would be the first time  
piano instrumentallord knows it would be the first time  
piano instrumentallord knows it would be the first time
