

# Infinite (feat. Kim Walker-Smith)

## Jesus Culture

[Verse 1]

I hear Your voice, through the madness all around me  
I feel You here, when my world falls apart  
As I walk, I know You will go before me  
When I fall, I can feel Your hand in mine[Pre-Chorus]  
Oh, You're never too far away, far away  
Oh, You're only one breath away, breath away[Chorus]

Your love is infinite  
Your love is measureless  
It won't run out on me  
It won't run out on me  
Your love is deep and wide  
Stretching from sea to sky  
You won't run out on me  
You won't run out on me

[Verse 2]

I see Your face, in the dawn of every morning  
I see Your majesty, in the stars that fill the night  
I stand amazed, at the wonders of Your glory  
Even now, I can feel Your heart in mine[Pre-Chorus]  
Oh, You're never too far away, far away  
Oh, You're only one breath away, breath away[Chorus]

Your love is infinite  
Your love is measureless  
It won't run out on me  
It won't run out on me  
Your love is deep and wide  
Stretching from sea to sky  
You won't run out on me  
You won't run out on me

[Post-Chorus 1]

I know, I know  
You're never too far away  
You're only one breath away  
I know, I know[Bridge]  
Throughout the age  
You never change  
I'm captivated once again  
Here in Your arms

Close to Your heart  
The King of Kings has called me friend  
Throughout the age  
You never change  
I'm captivated once again  
Here in Your arms  
Close to Your heart  
The King of Kings has called me friend[Chorus]  
Your love is infinite  
Your love is measureless  
It won't run out on me  
It won't run out on me  
Your love is deep and wide  
Stretching from sea to sky  
You won't run out on me  
You won't run out on me[Post-Chorus 2]  
I know, oh everything within me  
I know, I know  
You alone I can depend on  
You alone that I can lean on  
You alone that I can look to, Jesus  
Oh-ooh, I know, I know  
There is no end to Your love  
There is no end to Your love  
There is no end to Your love, no[Chorus]  
Your love is infinite  
Your love is measureless  
It won't run out on me  
It won't run out on me  
Your love is deep and wide  
Stretching from sea to sky  
You won't run out on me  
You won't run out on me
