

Fiyacraka

Korr-A

You're lighting me up, i feel it
Give me that bu-u-uzz
You fire me up, i need it
You setting me o-o-off
Yooou Yoouu
Youu Youu.....
LA
Gimme that scene The beat
Gimme good cream
Lipstick
Covering me
Covering me
Covering me
Jump jump
I'm holding the chips Show me licks
Show me all your tricks
I'm pump pump bumping on that
Bumping on that
Bumping on that
(Bumping on that)
She's a Fiyacraka!
Club dirt
Hip to the core
Pumped up
Ready and raw
This beat's
Getting to me
Getting to me
Getting to me
Jump jump
I'm holding the chips Show me licks
Show me all your tricks
I'm pump pump bumping on that
Bumping on that
Bumping on that
(Bumping on that)
She's a Fiyacraka!
You're lighting me up, i feel it
Give me that bu-u-uzz

You fire me up, i need it
You setting me o-o-off
Yooou Yooou
Youu Youu.....
S-h-e's...a...F-i-y-a-c-r-a-k-a!
She's a Fiyacraka!
She's a Fiyacraka!
