

# Song of the Islands

## Annette Funicello

Islands of Hawaii  
Where skies of blue are calling me  
Where balmy air and golden moonlight  
Caress the waving palms of Wai KiValleys with their rainbows  
Your mountains green, and deep blue sea  
Your fragrant flowers and dreamy music  
Unite and sing a aloha-hi to meIslands of Hawaii  
Where skies of blue are calling me  
Where balmy air and golden moonlight  
Caress the waving palms of Wai KiValleys with their rainbows  
Your mountains green, and deep blue sea  
Your fragrant flowers and dreamy music  
Unite and sing a aloha-hi to me
