You miss me?
I miss all of y'all
All of you girls standin' together like that, I can't take itWomen, I can do anything you like
I can do anything you need
And I got a better body
Than the magazines you readNone of them boys know the first thing about your fantasy
And if they tried, they can not do it just like meI know you certainly been gone
And it's been much too long
And there's some things we need to do
So I know you need to get homeCome get it bae
Come get it bae
Come get it bae
Come get it bae
You wanna ride it, my motorcycle
You've got a license, but you got the right to
Gonna pop a wheelie, don't try too high too
Take it easy on the clutch, cause girl I like youI can see it the way you like
I can do anything you need
I can give you dirty looks
Like them niggas that's on T.VNone of them boys know the first thing about your fantasy
And if they tried, they can not do it just like meI know you certainly been gone
And it's been much too long
And there's some things we need to do
So I know you need to get homeCome get it bae
Come get it bae
Come get it bae
Come get it bae
You wanna ride it, my motorcycle
You've got a license, but you got the right to
Gonna pop a wheelie, don't try too high too
Take it easy on the clutch, cause girl I like youThere comes a time, when [?] will grab your wrist
You'll need a sugar [?], baby
There comes a time, and you won't believe what you'll do
When that sugar's callin' you
Girl, this is Sho-time, this is where you wanna be
H-O-M-E, satisfaction guaranteed
And there will come a time, this is where you wanna be
Cause it's everything you need, you were lonely mindin' meNone of them boys know the first thing about your fantasy

And if they tried, they can not do it just like meI know you certainly been gone
And it's been much too long
And there's some things we need to do
So I know you need to get homeCome get it bae
Come get it bae
Come get it bae
Come get it bae
You wanna ride it, my motorcycle
You've got a license, but you got the right to
Gonna pop a wheelie, don't try too high too
Take it easy on the clutch, cause girl I like you
