

# Encore

Cheryl Lynn

Ooh, yeah Your love's so good  
Deserves an encore  
Your love's so good  
You deserve an encore Going to a show tonight  
After working hard 9 to 5  
Not talking 'bout a movie, no  
Or a Broadway play, this show is live And I know it's you I wanna see tonight  
Wanna see you tonight  
I'll buy my ticket at the door if it's alright  
So your show can make me feel good again Your love's so good  
Deserves an encore  
Your love's so good  
You deserve an encore Your love's so good  
Deserves an encore  
Your love's so good  
You deserve an encore I can give you rave reviews  
You sold out my heart with love  
And every time that I'm with you  
Boy, you take control, I'm your captive audience And I know it's you I wanna see tonight  
Wanna see you tonight  
I'll buy my ticket at the door if it's alright  
If your performance make me feel good again Your love's so good  
Deserves an encore  
Your love's so good  
You deserve an encore Your love's so good  
Deserves an encore  
Your love's so good  
You deserve an encore Can't get enough, ooh  
Of your gentle lovin' touch  
I can't get enough  
So intense, it drives me nuts  
Makes me wanna break it down now Feels so good, feels so good  
It deserves an encore Ooh, ah, ooh, ah  
Ooh, ah, ooh, ah, ah  
Ooh, ah, ooh, ah  
Deserves an encore Bring it, bring it  
Bring it up, bring it up  
Bring it up  
Oh, I'm talkin' 'bout my baby Alright, yeah

I've got to go
