

# Just Like Before (Album Version)

Seal

Just like before  
Raining came down like a melody at your door  
Heard it before Rain in your head  
Crying last night but you couldn't get out of bed  
What is the use of crying[Chorus]  
Baby, baby  
Cannot come inside  
Baby, baby  
What's taking so long  
Baby, baby  
Gotta know it's right  
Baby, baby  
Can't we go on Just like before  
The train came back but it didn't stop at your door  
Oh, Left like a fool  
Rain at your eyes be bygones  
For crying out loud when your feeling inside is back  
What was the use of crying[Chorus] In this dream  
Mercury column is you  
And I like the way this feels  
Family, at the top of that bottom is you  
And I like the way this feels, feels, feels[Chorus]
