Someday

LP

Some say when hearts race there's no saving grace
Though cruel fate I'll just wait 'cause nothing can swaySomeday maybe they'll change you change you
But darling don't let don't let em lead you lead you astray
Stay young
Stay young
'Cause someday they'll try to break you break you
But baby I won't let em take you take you awayWe might pace and time chase but there lies a placeWhere all hopes and all saints collide face to face
