

# Someday

LP

Some say when hearts race there's no saving grace  
Though cruel fate I'll just wait 'cause nothing can sway  
Someday maybe they'll change you change you  
But darling don't let don't let em lead you lead you astray  
Stay young  
Stay young  
'Cause someday they'll try to break you break you  
But baby I won't let em take you take you away  
We might pace and time chase but there lies a place  
Where all hopes and all saints collide face to face
