

I Like It Like That

Pete Rodriguez

Wow am I feeling good tonight.

Here and now let's get this straight
Boogaloo baby I made it big
Because I gave it the Latin beat
You know child I'm kind of hard to beat.

Just commence your feet to skate
Pick up your arms and make'em shake
Baby if you think you are shy
Do me a favor honey go some place and hide.

He he he he...

Yeah... baby.
I like it like that...

You gotta believe me when I tell you.
I say I like it like that...

My boogaloo I need it baby.
I like it like that...

I like it like that.
I say I like it like that...

And I want it like that.
I like it like that...

I got the soul, I got the thing.
I say I like it like that...

I got the soul, baby look at me.
I like it like that...

Yeah... baby.
I say I like it like that...

I like it like that.

I like it like that...

Stomp your feet if you think I'm neat
Clap your hands if you want some more.

Stomp your feet if you think I'm neat
Clap your hands if you want some more.

I like it like that...

I like it like that...

I like it like that.
I say I like it like that...

And I want it like that.
I like it like that...

I like it like that...
I like it like that...

I got the soul, I got the thing.
I say I like it like that...

I got the soul, baby look at me.
I like it like that...

Yeah... baby.
I say I like it like that...

Stomp your feet if you think I'm neat
Clap your hands if you want some more.

Stomp your feet if you think I'm neat
Clap your hands if you want some more.

You're looking good now
let me feel your soul
listen to me, don't be shy
join the party, say like I say
like this see, you're ready now. Yeah...

OK.

I like it, I like it, I like it like that.

I like it, I like it, I like it like that.
I like it, I like it, I like it like that.

I like it, I like it, I like it like that.

I like it, I like it, I like it like that.
