

Born Slippy (Calculon Bootleg)

Underworld

Drive boy, dog boy, dirty numb angel boy
In the doorway boy
She was a lipstick boy
She was a beautiful boy
And tears boy and all in your inner space boy
You had hand girls boy and steel boy
You had chemicals boy, I've grown so close to you
Boy and you just grown boy
She said come over, come over
She smiled at you, boyDrive boy, dog boy, dirty numb angel boy
In the doorway boy
She was a lipstick boy
She was a beautiful boy
And tears boy and all in your inner space boy
You had hand girls boy and steel boy
You had chemicals boy, I've grown so close to you
Boy and you just grown boy
She said come over, come over
She smiled at you, boyLet your feelings slip boy
But never your mask boy
Random blonde bio high density rhythm
Blonde boy, blonde country, blonde high density
You are my drug boy, you're real boy
Speak to me and boy dog, dirty numb cracking boy
You get wet boy, big big time boy, acid bear boy
Babes and babes and babes and babes and babes
And remembering nothing boy
You like my tin horn boy and get wet like an angel
DerailYou got a velvet mouth
You're so succulent and beautiful
Shimmering and dirty wonderful and hot times
On your telephone line and God and everything
On your telephone and in walk an angel
