

# Out in the Cold Again

Gene Ammons & Sonny Stitt

The song that you sang so sweetly  
You called it our love refrain  
It's gone and I'm left completely  
Out in the cold again

I dreamed that our love would linger  
But just memories remain  
As I gaze at that ringless finger  
Out in the cold again

True it hurts my pride to step aside for somebody new  
But deep down inside my whole world depended on you  
I wanted your arms around me  
To shelter me from the rain  
But now I'm back where you found me  
Out in the cold again

(True it hurts my pride to step aside for somebody new)  
(But deep down inside my whole world depended on you)  
I wanted your arms around me  
To shelter me from the rain  
But now I'm back where you found me  
Out in the cold again  
Out in the cold
