

# Terminal

## The Word Alive

I am a creature  
Who lies in wait  
I'm not the man you think I am  
I will bring you down I can't relinquish my grip  
I know that you're breathing but do better than this  
I can't relinquish my grip  
I know that you're breathing but do better than this Don't believe in me  
I'll bring you down  
You know I want you to drown  
I'm water in your lungs  
Don't believe in me  
I'll bring you down I am the darkness in your life  
Why you can't sleep at night  
I am the weakness of your mind  
Your life is mine  
Mine I can be  
Who I need to be, need to be  
I am transforming, I can be  
Who I need to be, need to be  
I am transforming Don't believe in me  
I'll bring you down  
You know I want you to drown  
I'm water in your lungs  
Don't believe in me  
I'll bring you down  
I'll bring you down I've ruined  
Everything I've loved  
I've thrown away almost everyone  
I've ruined  
Everything I've loved  
I've thrown away almost everyone Don't believe in me  
I'll bring you down  
You know I want you to drown  
I'm water in your lungs  
Don't believe in me  
I'll bring you down  
I'll bring you down Don't believe in me  
I'll bring you down
