Return to Paradise

X-Perience

I walk on the water, oh she's so funny
Her taste on my lips, like milk and honey
I see crystal lights, I want to stay foreverI want to stay, I dive in love's sweet gin ?
Now and today, I throw away my pain,
I want to stay, I'm gonna live today, foreverThe return to paradise,
It's all so nice
Beautiful
I will dive into the light
I'm glad to be in loveThe return to paradise,
It's all so nice
Beautiful
I will dive into the light
I'm glad to be in loveSo deep so endlessly
So nice and hopefully
She gives the kiss of life to meI want to seek the sea, the liquid skies
The warm and tender lights, when days arise
I want to feel surreal, I want to stay, foreverI want to stay, I dive in love's sweet gin ?
Now and today, I throw away my pain,
I want to stay, I'm gonna live today, foreverThe return to paradise,
It's all so nice
Beautiful
I will dive into the light
I'm glad to be in loveSo deep so endlessly
So nice and hopefully
She gives the kiss of life to meThe return to paradise,
It's all so nice
Beautiful
I will dive into the light
I'm glad to be in loveThe return to paradise,
It's all so nice
Beautiful
I will dive into the light
I'm glad to be in love
