Hey Kids

Looker

Hey kids
You did it all yourselves
You never changed the world
So whatcha think about that?Hey Dad
The suit is on your back
So take ya boots off my neck
And get back to ya money stackHey kids
You never changed the world at all
Hey kids
You never changed the worldHey old man
Remember Vietnam?
You hated Vietnam
And now you love Uncle SamHey kids
Did you get your kicks?
And now you're getting old
Gonna catch you quickHey kids
You never changed the world at all
Hey kids
You never changed the world at allHey kids
You never changed the world at all
Hey kids
You never changed the world at allHey kids
You never changed the world at all
Hey kids
You never changed the world at allHey kids
You never changed the world at all
Hey kids
You never changed the world at all
