Ta Take the time to make it right
you`re gonna be my prey tonight
Uh Uh
yeah
come a little closer
now listenVerse IAnother night it`s time to play
an angel dies the devan sleighs
sexy kitties are hot,
bebe girls are not
your boyfriends want us like scotch on rocks
smooth and cold, our moves are bold
when you go all in, I scream and fold
come on and beg, that`s what i said
i`ll show some leg, we`ll share a bedCHOROUS(I`m I`m Im the devan don`t don`t push me)
I`m a devan baby
(I`m I`m Im the devan don`t don`t push me)
Looking for a fight
(I`m I`m I'm the devan don`t don`t push me)
I`m a lion tamer
(I`m I`m I'm the devan don`t don`t push me)
you`re my prey tonight
(I`m I`m I`m the devan)BridgeThe devan`s up tonight
are you looking for a fightVerse IIThe first awake the last to sleep
the devan`s up and makes us meet
the only ones that run the street
kitty girls always in heat
you`re my prey watch what i say
at night i sleigh and sleep in day
the only one`s up never come down
FEBOS CITRIC we run this town

(I`m I`m I`m the devan)Verse III (DJ Ronxxx)The first ones up never come down
Ronxxx and Daniela we run this town
She`s the queen and I`m the KIng
(his beats are fresh, my style is bling)
I`m the devil, she`s no saint
can`t hold us down we break restraints
from Guatemala up to Bermuda,
hater`s and lovers praise us like buddha
you`re up in smoke and disappear
the pioneers we persevere
TOP in the city, hated for that
my beats, her body..... cause heart attacksCHOROUS(I`m I`m Im the devan don`t don`t push me)
I`m a devan baby
(I`m I`m Im the devan don`t don`t push me)
Looking for a fight
(I`m I`m Im the devan don`t don`t push me)
I`m a lion tamer
(I`m I`m Im the devan don`t don`t push me)
you`re my prey tonight
(I`m I`m I`m the devan)The first awake the last to sleep
the devan`s up and makes us meet
the only ones that run the street
kitty girls always in heat
you`re my prey watch what i say
at night i sleigh and sleep in day
the only one`s up never come down
FEBOS CITRIC we run this townI`ll show some leg.....
