

Walk Right In

[Janis Joplin](#)

Walk right in and sit right down, daddy, let your mind roll on.
You'd better walk right in and stay a little while, daddy, you can't stay too long.
Now everybody's talkin' 'bout your new way of walkin',
Do you want to lose your mind?
Lord, walk right in and sit right down, daddy, let your mind roll on. Walk right in and sit right down, and daddy,
let your hair hang low.
You'd better walk right in and stay a little while, daddy, you can stay too long.
Now everybody's talkin' 'bout a new way of walkin',
Do you want to lose your mind?
Lord, walk right in and sit right down, daddy, let your mind roll on. Walk right in and sit right down, daddy, let
your mind roll on.
You'd better walk right in and stay a little while, daddy, you can't stay too long.
Now everybody's talkin' 'bout a two-way woman,
Do you want to lose your mind?
You'd better walk right in, sit right down, daddy, let your mind roll on!
