

# Motivation

Sheryl Crow

Little white girl in a shiny black car  
Hanging out with her friends and doing black tar  
Daddy pays for the wedding with a fist full of dollars  
Cost as much as the state of Guatemala, oh, why even try? Well, I got a big car and a flat screen TV  
All my loser friends and my boyfriends family  
Bring bags of food and watch reality freak shows  
Everybodys faking it but nobody thinks so, why even try? Got no grease on my hands  
Got no serious plans  
Whole worlds waiting for me  
Cause all I gotta do is get it for free Got no reason to bitch  
Aint no parties Ive missed  
Got to have it that way  
Cause baby, I got motivation, motivation Skinny young dude in a hundred dollar tee shirt  
In King James kicks and a brand new manicure  
Hotties doing pilates with the snotties and the pleasers  
Sneaking in the back door at Coconut Teasers, why even try? Well, I dropped out of school when I was seventeen  
Cause I didnt have time to study my magazines  
Cause theres a lot to learn from the privileged few  
Like how to build a brand wearing high heeled shoes, oh, why even try? Got no grease on my hands  
Got no serious plans  
Whole worlds waiting for me  
Cause all I gotta do is get it for free Got no reason to bitch  
Aint no parties Ive missed  
Got to have it that way  
Cause baby, I got motivation, motivation Im gonna own this town  
Im gonna own this town  
Im gonna own this town  
Yeah, its all mine, oh, why even try? Got no grease on my hands  
Got no serious plans  
Whole worlds waiting for me  
Cause all I gotta do is get it for free Got no reason to bitch  
Aint no parties Ive missed  
Got to have it that way  
Cause baby, I got Got no grease on my hands  
Got no serious plans  
Whole worlds waiting for me  
Cause all I gotta do is get it for free Got no reason to bitch  
Aint no parties Ive missed  
Got to have it that way

Cause baby, I got motivation, motivation  
Motivation, motivation
