My Apology

Noah Young

I think I've had my fair share of misery
But seeing her is a pain I have never seen
I'm so so so sorry
For going back on a promise I couldn't keep
I'm losing track of the days because it's hard to sleep
Knowing I'm the cause of her pain is driving me insaneI can't believe what I've done to you now
I lost your trust and I'm going down down down downChorus:
This was my mistake
I never meant to break your heart
It's killing me to know you're torn apart
This is where I cry
This is where we say goodbye
This is where you get the best of me
This is my apologyI never thought I'd be the one to make her cry
I tried my best to stay away from telling lies
I'm so so so sorry
I might as well be face down and taste the dirt
I'll walk away and pretend like it doesn't hurt
Because of what I said to her I might as well be dead to herI can't believe what I've done to you now
I lost your trust and I'm going down down down downChorus:
This was my mistake
I never meant to break your heart
It's killing me to know you're torn apart
This is where I cry
This is where we say goodbye
This is where you get the best of me
This is my apology
Why does it hurt so much?
I'm sorry for the way I was
Just give me a chance and I'll make this right
Because you don't deserve the pain but I so deserve the blame
And there's nothing I can do but just say to youChorus:
This was my mistake
I never meant to break your heart
It's killing me to know you're torn apart
This is where I cry
This is where we say goodbye
This is where you get the best of me
This is my apologyThis was my mistake

Don't let me break your heart
And you already know
I'd never let this goThis was my mistake
I never meant to break your heart
It's killing me to know you're torn apart
This is where I cry
Watch the tears fall from my eyes
