

Nero

Hattler

Nero

He can be anywhere on earth
And still be there for you

Nero

He can do anything in life
While you're feeling lost and lonely
But I swear - he will care

Nero

Only when dreams have died
It's time to say goodbye
Ooh Nero
You can stand any pain
With a smile on your face - I swear

Nero

Just smile

So destiny won't keep you crying

Nero

Let your heartlight find a way
Let everybody know what you say

Nero

He can bear anything
Except your tears - I swear
Ooh Nero
He can fight anyone
But he's caught in your love - I swear

Nero...

Nero

He can be anywhere
And still be there for you

Nero

I see you standing there
With a smile on your face - I swear
