Unsung

Helmet

Your contribution left unnoticed some
Association with an image
Just credit time for showing up again
Attention wandered I'm left with itGone by sin too slowly
Can't pass it up
Then I thought nothing is right
I turned it offTo die unsung would really bring you down
Although wet eyes would never suit you
Walk through no archetypal suicide
To die young is far too boring these daysYour will to speak clearly
Exposed too much
Unsung once too often
Could not rub off
