

This Means War

Marianas Trench

So nice to see you here
Impolite would only be beneath us
It's been what, half a year?
Like nothing ever happened in between us
Fill me in on how you've been
And I would tell you anything
You'd like to hear now
And we can laugh some
Reminisce some
From the same old stories to the new ones
When the nights done, I will just see you around
But that's not what I came for, my amour
I hate to admit it but I miss the war
Oh
Gotta get you under fire quick
Brace for it
I'd rather be a riot than indifferent
Oh
Oh, This means war, yeah
This means, this means, this means, this means war
I'm calm, I'm sure of it
Don't shake because I'm never even rattled
It's a good school I've heard of it
You want to move away; surrender from the battle
I just wish you'd open fire on me
So I can see you still worry if I care
And you can laugh some
Reminisce some
From the same old stories to the some new ones
When the nights done, You'll just see me around
But that's not what I came for, my amour
I hate to admit it but I miss the war
Oh
Gotta get you under fire quick
Brace for it
I'd rather be a riot than indifferent
Oh
Oh, This means war
Yeah
This means,
This means,
This means, this means war
Fire in the
Fire in the
Fire in the hole
Fire in the

Fire in the
Fire in the
Fire in the holeTake cover baby
Take cover baby
Take cover baby
Take cover, take cover, baby
Take coverCame for, my amour
I hate to admit it but I miss the war
Oh
Gotta get you under fire quick
Brace for it
I'd rather be a riot than indifferent
Oh
Of course you know this means war, yeah
(Fire in the hole, fire in the hole) [x8]
This means, this means, this mean this means war
