Never Say No

Steve Miller Band

Out working on the virgin ground
Waitin' for the time I could head to town
All those pretty girls, I'll be looking for the pearl
That could bring me up and ease me downFlying down the dusty road
Little foreign wheels putting on a show
My thoughts are hazy about this girl
Might make me crazy, I bet she will
Never say, never say no
Don't ever let me hear ya say ya gotta go
Never say, never say no
You better say never say noThen she stopped to my surprise
Little foreign wheels want to cross the line
With her voice so soft
Turned the poppin' Johnny off
Then I began to realize
She said her daddy needs to know
'Bout this ol' boy 'fore he lets her go
I'll work for him, then time will tell
He'll get to know me, I bet he willNever say, never say no
Don't ever let me hear ya say ya gotta go
Never say, never say no
Never let me hear ya say ya gotta go
No, never say, never say no
Never let me hear ya say ya gotta go
Never say, never say no, no
Never say, never say no
Don't ever let me hear ya say ya gotta go
Never say, never say no
Never let me hear ya say ya gotta go
Never say, never say no
Don't ever let me hear ya say ya gotta go
Never say, never say no, no
Don't ever say, never say no
Never let me hear ya say ya gotta go
Never say, never say no
Never let me hear ya say ya gotta go
