

On The Ocean

Guster

Am I asleep?
Is this a dream?
Oh, my God, what have I done
Anything?
At 23
You walked out on me
Oh, my God, where have you gone
Anyway?
On the ocean
I think we're taking on water
A storm is on the way
But I will hold on anyway
10,000 leagues
Under the sea
Oh, my God, what have you done?
Anything?
29 years I've wandered around
There's no beauty here, no emerald town
I shout aloud, "What will be forgotten
Everything?"
On the ocean
I think we're taking on water
A storm is on the way
But I will hold on anyway
I close my eyes and there's someone beside me
Hand in hand
We can only speak in tongues
She's pulling me along
Following down a trail of crumbs behind me
My head's in her hands
But everything, it still feels wrong
This isn't what I thought
So can I just go home?
Am I asleep?
Is this a dream?
Oh, my God, what have I done
Anything?
(On the ocean)
10,000 leagues

(I think we're taking on water)
Under the sea
(A storm is on the way)
Oh, my God, what have I done?
(But I will beat you down)
Anything?
On the ocean
