

# Stoned In Love (Radio Edit)

## Chicane (feat. Tom Jones)

If you could see me here this way  
Looking backwards from today  
Would you do it all again?

If I could roll it back to you  
Just like lovers always do  
I'm stoned in love but not with you

Good love  
'Cause when I'm feeling stoned in love  
It's hard not feeling love  
I feel that love is weighed in stone  
When I'm feeling stoned in love

Good love  
'Cause when I'm feeling stoned in love  
It's hard not feeling love  
I feel that love is weighed in stone  
When I'm feeling stoned in love

If we could wash the past away  
Would we go our separate ways  
Or do it all again? As if I can

Is this the way it's meant to be?  
It's stoned in love, but not with me, yeah  
You're stoned in love, but not with me

Good love  
'Cause when I'm feeling stoned in love  
It's hard not feeling love  
I feel that love is weighed in stone  
When I'm feeling stoned in love

Good love  
'Cause when I'm feeling stoned in love  
It's hard not feeling love  
I feel that love is weighed in stone  
When I'm feeling stoned in love

Stoned in love  
I'm stoned in love, but not with you

Good love  
'Cause when I'm feeling stoned in love  
It's hard not feeling love  
I feel that love is weighed in stone  
When I'm feeling stoned in love

Stoned in love, stoned in love  
Stoned in love, stoned in love  
Stoned in love, stoned in love  
Stoned in love, but not with you

As if I can  
If I can
