The Wild And The Young

Quiet Riot

Times are changing, nothing stays the same
For this jukebox generation
Adhere to fashion like computer games
Modern day communicationThe news hard to take
Will fade tomorrow
They are the strong
They'll surviveThe wild and the young they all have their dreams
The wild and the young they got to be free
The sun never sets for souls on the run
The wild and the young, yeahRoaring passion with no guilt or shame
It's accepting education, yeah
Misbehaving, no regrets, no blame
With a bold kind of sophisticationSo close to the edge
And high on the wire
They are not wrong
They're aliveThe wild and the young they all have their dreams
The wild and the young they got to be free
The sun never sets for souls on the run
The wild and the youngSo close to the edge
And high on the wire
They are not wrong
They're alive, look outWild, wild
The wild and the young, y-y-youngThe wild and the young they all have their dreams
The wild and the young they got to be free
The sun never sets for souls on the runThe wild and the young they all have their dreams
The wild and the young they got to be free
The sun never sets for souls on the run
The wild and the youngThe wild and the young
Ohh, alright
