## Orchid

Five, six and ten  
Reworking my reality  
Let the record play  
Trancending practicality  
Hand and hoof  
Toes and teeth  
I've done it again  
Let the record play  
Let the record play  
Reworking my reality  
Trancending practicality  
Let the record play  
Five, six and ten  
Five, six, ten
