Rapture

Tropics

La
La la la la la la
La la la la la la
La
La la la la la la
La la la la la la
The night I laid my eyes on you
I felt everything around me move
Got nervous when you looked my way
But you knew all the words to say
And your love slowly moved right in
All this time, oh my love, where you been
Please
I'm moaning don't you know
My love I want you so
Sugar
You make my soul complete
Rapture tastes so sweet
I'm mesmerised in every way
You keep in a state of daze
Your kisses make my skin feel weak
Always nothing in your heat
Lift our souls like a bird in the wind
Oh I glide like I'm flying through heaven
Please
I'm moaning don't you know
My love I want you so
Sugar
You make my soul complete
Rapture tastes so sweet
Please
I'm moaning don't you know
My love I want you so
Sugar
You make my soul complete
Rapture tastes so sweet
La
La la la la la la
La la la la la la

La
La la la la la la
La la la la la la
Please
I'm moaning don't you know
My love I want you so
Sugar
You make my soul complete
Rapture tastes so sweet
Please
I'm moaning don't you know
My love I want you so
Sugar
You make my soul complete
Rapture tastes so sweet
La
La la la la la la
La la la la la la
La
La la la la la la
La la la la la la
(La la la la la la)
(La la la la la la)
(La la la la la la)
