

Rocking Chair Blues

Isaac Scott

Isaac Scott â€œRockinâ€™ Chair Bluesâ€• (Lyrics)

See me cominâ€™
Go get your rockinâ€™ chair
See me cominâ€™
Go get your rockinâ€™ chair
Well, I ainâ€™t nobody stranger
I used to live right there

Come here baby
Spread yourself over my big breast bed
Come here baby
Spread yourself over my big breast bed
I want you to come over and rock me baby
Until I turn cherry red

See me cominâ€™
Go get your rockinâ€™ chair
See me cominâ€™
Go get your rockinâ€™ chair
Well, I ainâ€™t nobody stranger
I used to live right there
