Eyes So Bright

Cate Le Bon

Beauty rare I don't want to share
She says that hands fill holes
Eyes so bright, they just steal the night
And she rows where she rowsMy sister young, my sister strong
She sparks in ebbs and flows
I ride behind, keeping hounds in line
But I cast my shadows lowFor all the time it takes to learn
No further can I ride
Eyes so bright, they just steal the night
And I'll come for him
Mark its time, it's a terrible time
My?
I'll see you write in your branches high
And I'll come for you each timeWhen the day arrives to loan?
Eyes so bright, they just took my life
And I love you
I love you
I love you
I love you
I love you.
