Trainwreck

The Demon Beat

Hey there
Trainwreck
Look in the mirror
Could it be clearer
End of the line

Way off the rails
Next door to nowhere
Lamp burnin' low where
The sun used to shine

Wake up
Trainwreck
No navigator
Sooner of later
All up to you

Somewhere out there
Comin' on morning
Sun without warning
Day burnin' through

Maybe I played too hard
Maybe I ran too fast
Maybe I was their hero
That don't last
Flame out trainwreck
Hey, what's past is past

Come on
Trainwreck
Get it together
Life goes on whether
You don't or you do

Back on the track
Startin' to move now
Something to prove now
They say you're through

Maybe I played too hard
Maybe I ran too fast
Maybe I was their hero
That don't last
Flame out trainwreck
Hey, what's past is past
