

Love Like a Bomb

Oasis

I'm seeing a whole
Another world in my mind
Girl, I'm feeling
I'm breathing in love all the time You turn me on, your love's like a bomb
You're blowing my mind
You turn me on, your love's like a bomb
You're blowing my mind Am I reaching the world
That I want deep inside?
Girl, I mean it
And you hold the key to the shrine 'Cause you turn me on, your love's like a bomb
You're blowing my mind
You turn me on, your love's like a bomb
You're blowing my mind Blowing my mind
Blowing my mind
Blowing my mind
She's blowing my mind Yeah, I'm seeing a whole
Another world in my mind
Girl, I'm feeling
I'm weeping in love all the time 'Cause you turn me on, your love's like a bomb
You're blowing my mind
You turn me on, your love's like a bomb
You're blowing my mind Yeah, I'm seeing
