Walk Hard

Dewey Cox

Walk hard, hard
Down life's rocky road
Walk bold, hard
That's my creed, my codeI've been scorned and slandered and ridiculed too
Had to struggle everyday my whole life through
Seen my share of the worst that this world can give
But I still got a dream and a burning rage to liveWalk hard, hard
Though they say, "You're all done"
Walk bold, hard
Though they say, "You're not the one"Even if you've been told time and time again
That you're always gonna lose and you're never gonna win
Gotta keep that vision in your mind's eye
When you're standing on top of a mountain highYou know when I was a boy, folks used to say to me
"Slow down Dewey, don't walk so hard"
And I used to tell them, "Life's a race and I'm in it to win it
And I'll walk as damn hard as I please
How do I walk boys?"When I meet my maker on my dying day
Gonna look him in the eye, by God I'll say
"I gave my word and my word was good
I took it in the face and I walked as hard as I could"Walk hard
Walk hard
Walk hard
Walk hard
