

In Her Fear

GWAR

In her fear
In her fear
In her fearIn her fear, in her fear, in her fear
In her fear, in her fear, in her fear
In her fear, in her fear, in her fear
In her fear, in her fear, in her fearYou tried to walk away
But how far did you go
And when you came back and
I called to let you knowI'm coming to visit you
That's when I rode on a bus
But when I got to you
By then you were on the busIn her fear, in her fear, in her fear
In her fear, in her fear, in her fear
In her fear, in her fear, in her fear
In her fear, in her fear, in her fearI called just to let you know
I called just to let you know
I called just, I called just, just
But there was no one homeIn her fear, in her fear, in her fear
In her fear, in her fear, in her fear
In her fear, in her fear, in her fear
In her fear, in her fear, in her fear
I'm coming after youI'm gonna make you love me
And you'll be so proud of me
That when I visit you
You won't be scared of meI come to visit you
I just want to talk to you now
I just wanna look at you
Now I'm strapped to the electric chairIn her fear
In her fear
In her fear
