

# Candy and a Currant Bun

## Pink Floyd

Oh, my girl sitting in the sky  
Go buy candy and a currant bun  
I like to see you run  
Lay backDon't talk to me  
Please, just fuck with me  
Please, you know I'm feeling frailIt's true, sun shining very bright  
It's you, I'm gonna love tonight  
Ice cream tastes good in the afternoon  
Ice cream tastes good if you eat it soonDon't touch me child  
Please, know you drive me wild  
Please you know, I'm feeling frailDon't try another cat  
Don't go where other you must know why  
Very, very, very frailOh, my girl sitting in the sun  
Go buy candy and a currant bun  
I like to see you run  
Like that
